Sevan Babakhanloo
Starting Frontend Developer

ABOUT ME   01

Hello, I'm Sevan Babakhanloo, a budding frontend developer eager to make a mark in the digital realm.

Passionate about creating user-friendly and visually appealing websites, I'm on the exciting journey of turning my coding skills into impactful web experiences. Proficient in HTML, CSS , Tailwind CSS , JavaScript and , React JS , I'm enthusiastic about learning and applying cutting-edge technologies to solve real-world problems.

Though my professional journey is just beginning, I've already dipped my toes into various projects, gaining hands-on experience in crafting responsive and intuitive user interfaces. I'm driven by the belief that every line of code is an opportunity to make a positive impact.

EXPERIENCE   02

Self Learning And Growing   Jan 2023 - Present

Outside the digital realm, you'll find me reading and researching , where I find inspiration and fuel my creativity. I believe in the power of curiosity and continuous learning to propel my career forward.

Futurest (Czech Republic)   Oct 2023 - Nov 2023

I contributed to the development of my initial website, engaging in a challenging yet rewarding experience. Collaborating closely with both back-end developers and UI/UX designers, I gained valuable insights and skills. The project was successfully completed within the specified deadline, showcasing my commitment to delivering high-quality work in a timely manner.

Bet Rain (Armenia)   2018-2023
